

# ENVIRONMENT, HEALTH AND SAFETY POLICY

---

Cargill's policy is to conduct all business activities in a manner that protects the environment and the health and safety of our employees, contractors, customers, and communities.

**Environment.** Cargill will comply with all applicable environmental requirements, prevent pollution, and continually improve performance on criteria relevant to its businesses and operations.

**Health and Safety.** Cargill will comply with all applicable occupational health and safety, and process safety requirements, continually improve performance on criteria relevant to its businesses and operations, and insist that all work, however urgent, be done safely.
